Become an Certified Educator

& be entered in a drawing for an Apple iPad

FRPS staff can take part in the free, online, self-paced course that should take most people a few hours to complete. You will receive PDPs for your participation. Submitting proof of completion will enter you in the drawing for an Apple iPad.

i-SAFE Inc. is a leading publisher of media literacy and digital citizenship education materials and programming with worldwide distribution channels. Founded in 1998 and supported by the U.S. Congress and various executive agencies of the U.S. government, i-SAFE is a non-profit organization dedicated to educating and empowering youth (and others) to safely, responsibly and productively use Information and Communications Technologies (ICT). i-SAFE's best practices classroom curriculum for primary and secondary school students is embedded with dynamic community outreach activities to empower students, teachers, parents, law enforcement professionals, and other community members to control their online experiences by proficiently and independently exercising a learned and practiced ability to use the Internet and other ICT with a level of sophistication that results in increased safety and utility.

1. Visit www.fallriverschools.org/isafe.cfm to view the simple directions to follow.
2. Complete the i-Safe program between June 10, 2012 and September 1, 2012 to be eligible for the drawing.
3. Print out the completion certificate that is generated at the end of the course and mail it to Tech Support Center @ Durfee High School or fax it to 508-675-8418 before September 1.
4. The drawing for the iPad will be held in mid-September and results will be posted on our website.
