

Kindergarten Screening

Children entering Kindergarten in September will be given the Brigance Kindergarten Screen by Kindergarten staff. This will take place at the child's school. Each child will be scheduled for an appointment over the first 5 days of school.

This developmental screen assesses children in the following areas:

- Personal Information
- Body Parts
- Gross-Motor Skills
- Color Recognition
- Draws a Person
- Prints Personal Data
- Rote Counting
- Numeral Comprehension
- Number Readiness
- Upper/Lower Case Letters
- Syntax and Fluency

At the conclusion of the screening appointment, the teacher will take time to speak with caregivers about the results. Feel free to ask any and all questions at that time!
