

B.M.C. DURFEE HIGH SCHOOL

STUDENT PORTAL ACCOUNTS OVERVIEW

The Fall River Public Schools will begin the first phase of its FRPS 24/7 Initiative to give students and parents, their own unique X2 Aspen account to access student information . Durfee students will begin getting student accounts first in December 2013 and parents/guardians will start to get parent accounts in January 2014. This overview will focus on the student account rollout

HOW WILL STUDENTS GET AN ASPEN STUDENT ACCOUNT?

All students with a automatically get an account once they have their FRPS email filled in Aspen. We have eliminated the manual part of account creation through a procedure that will run each day that looks for new emails added and then creates a Durfee student portal account. Students will receive an email with their account user name and temporary password.. Any student that does not want a FRPS email (parental choice) can still have an account created manually but will require a staff member to communicate the info to Tech Support in room 264.

HOW WILL STUDENTS GET ACCESS THE FRPS ASPEN STUDENT PORTAL?

All students will use the same X2 Aspen link on www.fallriverschools.org

WHAT WILL STUDENTS USE FOR A USER NAME ?

The student account username for Aspen will be their full email address (14brianmikool@frpsstudent.org)

HOW WILL STUDENTS GET PASSWORD HELP?

1. All students will be forced into enrolling in the online password recovery when they first log in. This will allow them to click the I forgot my password link on the Aspen homepage.
2. Additionally, students can send an email to accounthelp@fallriverschools.org from their FRPS email only. Our goal is to respond within 24 hours
3. We are not accepting student walk-ins to Tech Support for password resets

WHAT KIND OF INFORMATION WILL STUDENTS SEE?

Please review the screenshots accompanying this handout for more info.

WHAT KIND OF SPECIAL TRAINING IS REQUIRED?

Most students will have no issue navigating Aspen but there are several handouts found on the HELP Menu and we have create a special website where info and useful stuff will be housed both for students and staff.

www.fallriverschools.org/frps247.cfm

Brad Silva, who works in the district FRPS Tech Support Center will work with teachers on adding more functionality for staff use that crosses over to the student accounts.

OTHER INFO?

All Durfee staff will be asked to reset their account passwords on a more regular basis, to remember to close out all staff ASPEN sessions when they leave a computer and to never save it automatically.
